PROFESSIONAL EXPERIENCE

ECLERX SERVICES LTM

MUMBAI, INDIA

FINANCIAL ANALYST

06/2022 - 12/2023

- Authentication of and analysing data received from the Custodian banks to reconcile the same with third party applications data for EMEA regions.
- Managing daily deliverables for EMEA and publishing the reports of the reconciled data for risk officers or stakeholders the following day.
- Researching and resolving various breaks such as exposure and collateral issues that we come across. This includes analysing buy and sell trades of various derivatives like FX, Equity, Commodity, IRS and cross currencies.
- Researching for dispute scenarios in the OTC derivatives field and also identifying discrepancies that cause disputes from corporate actions such as dividend and interest payments.
- Having an active conversation with stakeholders to understand their needs and execute work accordingly on margin-related problems under ISDA-governed transactions.
- Actively participated in training sessions with the new joiners, sharing expertise on process/product knowledge and ensuring the professional development of others within the team.
- Proactive in monitoring respective group mailbox and resolving queries and escalating it immediately to the supervisor on any outstanding issues/queries/escalations.
- Contributing towards the preparation of the standard procedures' docs on margin disputes with sensitive clients.
